Jimmy's Fund is a partnership between Kitsap Humane Society and local veterinarians to offer financial assistance to pet owners in need. Jimmy's Fund will help offset costs of uncharacteristic veterinary bills or nonstandard veterinary care. Assistance is restricted to residents of Kitsap County and areas of the Olympic Peninsula that KHS serves, including sections of Mason County, Jefferson County and Pierce County.

Applications are reviewed by KHS Director of Veterinary Services within five business days of being received. The Director of Veterinary Services will inform the client of application approval or denial and refer to veterinary office if necessary. If approved, KHS coordinates payment with the veterinary office. KHS will not approve more applications than there are funds in the account.

KHS offers Jimmy's Fund as a community service and assumes no responsibility in diagnosis, treatment or outcome of beneficiaries. The Kitsap Humane Society is an independent non-profit committed to providing positive life-changing solutions to people and companion animals.
