KHS Safety Disclaimer and Questions

Kitsap Humane Society is a high-energy, busy environment where all volunteers will inevitably come into contact in some way with:

- Adult members of the public
- Children and babies
- Animals
- Other volunteers (individuals aged 13 and up, of diverse abilities)
- Staff

In order to maintain a safe organization, Kitsap Humane Society requires that all volunteers be able to exist harmoniously with all of the aforementioned groups (adult members of the public, children and babies, animals, other volunteers, staff), even in close quarters or under stress and overstimulation.

Kitsap Humane Society cannot allow any volunteers who have a history of violence or aggression toward any of the aforementioned groups (adult members of the public, children and babies, animals, other volunteers, staff).

For the safety of our organization and our volunteers, please respond to the following questions regarding interaction with the aforementioned groups (adult members of the public, children and babies, animals, other volunteers, staff):

1. Have you (or the volunteer you are assisting, if you are part of a team) ever displayed/experienced violence or aggression toward any of the aforementioned groups (adult members of the public, children and babies, animals, other volunteers, staff)?
Yes No (please circle one)

2. Can you guarantee to the best of your knowledge that you (or the person you are assisting) will be able to exist nearby or in contact with the aforementioned groups (adult members of the public, children and babies, animals, other volunteers, staff) without displaying/experiencing violence or aggression toward them?
Yes No (please circle one)

3. Do you understand that if it becomes questionable to KHS staff that you are a safe placement in the shelter environment, or if you ever display/experience violence or aggression towards the aforementioned groups (adult members of the public, children and babies, animals, other volunteers, staff), you will have your right to volunteer at KHS terminated immediately?
Yes No (please circle one)

In signing the application, I understand and agree to the following:

I have read the complete Volunteer Manual, and I agree to comply by all rules and regulations stated in the Volunteer Manual.

I agree to attend all required training classes. I agree to abide by the policies and procedures presented to me at the volunteer orientation and training workshops. I understand that if I do not follow rules established by the Kitsap Humane Society, I may be subject to corrective action and/or termination from the Volunteer Program.

I understand that if I am injured while acting as an unpaid member of the volunteer staff, I am not covered by Washington State Workers Compensation Law. I authorize the Kitsap Humane Society to seek emergency medical treatment in case of accident, injury or illness. I agree to hold the Kitsap Humane Society, its employees, volunteers and officers harmless in all matters relating to my service as a volunteer, including but not limited to personal injury.

I agree on behalf of myself, my heirs, personal representatives and executors to allow the Kitsap Humane Society to use any photographs or videotapes taken of me for use in public relations efforts.

I understand that I am a representative of the Kitsap Humane Society and that I may have access to personal or privileged information regarding the organization. I agree to respect and maintain confidentiality of all donors, customers, volunteers, staff and animals of the Kitsap Humane Society both on and offsite, during and outside of volunteer hours. I understand that any disrespectful or misleading representation of the Kitsap Humane Society may be cause for immediate dismissal from the Volunteer Program.

I understand that because I handle animals, it is important to discuss being vaccinated against tetanus with my physician. I release the Kitsap Humane Society from all responsibility that may occur because of my not pursuing this matter further, and I understand whatever decision I make is at my own risk.

I understand that because volunteering at Kitsap Humane Society is a high-energy environment where it is inevitable that I will come into some contact with adult members of the public, children and babies, animals, other volunteers, staff, I must be able to exist harmoniously alongside all of those groups.

I understand that any demonstration of violence or aggression, or failure to abide by the rules and regulations stated in the volunteer manual, may result in immediate expulsion from volunteering with Kitsap Humane Society.

knowledge. I understand that misrepresentation, omissions or false statements, when discovered, may result in my release at any time.
